As a Full Stack Intern, I am a highly motivated and enthusiastic individual seeking to gain practical experience in the field of web development. With a strong foundation in web technologies, including HTML, CSS, JavaScript, and frameworks such as React and Node.js, I am eager to apply my knowledge and skills to contribute to dynamic projects. A quick learner with a passion for problem-solving, I thrive in collaborative environments and am adept at adapting to new technologies. By leveraging my technical expertise and effective communication skills, I aim to make a valuable contribution to your team while furthering my professional growth in full stack development.

Professional Experience

Contributor

GSSOC'23 and SSOC'23

An active open source contributor

Education

B.Tech in Electronics and Communication Engineering

Heritage Institute of Technology at
Kolkata | October 2021 - June 2025

As an Electrical and Computer Engineering (ECE) student with a deep interest in web development, I bring a unique blend of technical skills and a creative mindset to the world of coding. With a solid foundation in electronics and computer systems, I have discovered my passion for building intuitive and visually appealing web applications.
